Dear Mayor Bernero and Members of the City Council:

It is the understanding of the Eastside Neighborhood Organization (ENO) that the city is planning to sell the city owned parking lot #8 south on the 2000 Block of East Michigan Avenue (between South Clemens and South Fairview).

We request that all proceeds of this sale be used to restore the city owned parking lot and service alley behind the businesses on the north side of the same block. The surfaces of these areas are in deplorable condition, detracts from the quality of the local businesses and the neighborhood as a whole. This would be a great improvement and show our local businesses their placement within this block is vital to our neighborhood.

Thank you for your consideration to this request.

Sincerely,

Nancy Mahlow, ENO President
